Santa Comes to Staghorn

We are blessed to live in such a beautiful community, especially during the Christmas season. I love driving through our tree filled neighborhood looking at all the lights of the season. And, of course, seeing Santa Claus.

The “**Breakfast with Santa**” event took place on December 14, 2024. It was a fun time for the over 50 adults and children that attended the event. Residents were treated to food, music and most importantly a visit from Santa.

A Special Breakfast for All

Thanks to our great cooks, everyone at Breakfast with Santa was served pancakes, sausage and eggs. **Karen and Bob Hutchinson** were joined by **Michael Shattuck** and **Woody King** prepared a great meal. Other volunteers included **Becky** and **Charles Clement**.

Jingle Bells and More

Families enjoying their breakfast were treated to Christmas Carols led by **Craig Gieler** with children joining in on the fun. The children's favorites were *Jingle Bells* and *Rudolf the Red Nose Reindeer*.

Ladies Gift Exchange a Big Hit

Many Staghorn ladies gathered on the evening of December 17, 2024, at 6:30 PM to enjoy a fun time exchanging gifts. Ladies drew numbers out of a hat and when a number was called the holder got to pick a gift, lowest number first. It was a hit! Everyone celebrated the spirit of the season and made new friends while enjoying delicious appetizers and desserts.

Kristin Swart is New Social Chair

Please welcome **Kristin Swart** as SPEHOA Social Chair. Kristin and her husband, Jesse, are new to our community. They will be going to Colorado this Christmas to be with their children.

Recreation Center Repair Needed

There is a growing 50-foot crack on the cement floor of the Recreation Center. The Staghorn HOA Board is examining ways of solving the problem. All options are expensive.

We thank those residents who have paid their dues, and we desperately need the help of those residents who still have outstanding dues payments. **Please pay your dues.**
