## YOUR NEIGHBORHOOD ASSOCIATION NEWS

April 2025

### Staghorn Workday a Success

On 29 March 2025, many Staghorn homeowners got up early to improve the appearance of the Staghorn Recreation Area.

There was lots to be done under the leadership of **Carla Fowler** who with her husband **Andy Fowler** are constantly working to improve your neighborhood. Did you happen to see them putting fresh bark at the base of our neighborhood monuments? Thank them for all they do for us.

### Going the Extra Mile

One of the requirements necessary to keep your Staghorn Recreation Area beautiful is the pressure-washing job. This includes:

- Walkways around Recreation Center
- Area Under the Pavilion
- Around Bathrooms
- All Picnic Tables
- Walkway adjacent to Swimming Area
- Entry Gates

One of our neighbors, **Hugo Amaya**, worked from 8:30 AM to 1:00 PM to get that job done. What an amazing guy! Thanks so much Hugo

## Many Hands Makes the Difference

- **Dan Zogran** stained and sealed two benches.
- **Jesse Swart** improved the gravel path to the clubhouse by raking back stones.
- **Becky Clement** and **Kristin Swart** put straw around the clubhouse and lakeside.
- **Bob Hutchinson** and **Mark Harrel** reopened the bathrooms.
- **Mike Shattuck** worked on the outdoor shower system.
- **Andy Fowler** handled many projects and moved equipment as needed.
- **Susan Gieler** provided coffee, water and donuts for the workers.
- **Charlie Clement, Craig Gieler** and **Carla Fowler** cut back bushes at the clubhouse and lake.

**Charlie Clement** used a long pole chainsaw to trim over 15 bushes along the lakeside.

We are all blessed to have recent newcomers Becky and Charlie Clement as well as Jesse and Kristin Swart taking an active interest in the community.
