YOUR NEIGHBORHOOD ASSOCIATION NEWS July 2026

Celebrating our 250th Anniversary

On July 4, 1776, fifty-six men gathered in Philadelphia and signed a document that changed the course of history. They declared independence from the world's most powerful empire and, in doing so, launched one of the most remarkable political, economic and technological experiments the world has ever known.

Celebrating America's Past and Future

These words written by Emil Sayegh and published by Forbes reflect my views and those of many of my neighbors.

I agree with Emil as he goes on to say that "The men who signed that document could not have imagined artificial intelligence, quantum computing or cyberspace. But they understood something timeless: **every generation has a duty to preserve the blessings of liberty for those who follow. That responsibility now belongs to us.**"

Nicholson 4th of July Event

In Nicholson, GA friends and neighbors celebrated our 250th anniversary by decking out in red, white and blue on July 3rd, 2026.

Celebrating our country's heritage

I saw this delightful couple sitting on a bench listening to country music. Go Navy!

A citizen showing off his 1776 handmade wooden flag with 13 stars and 13 stripes

Children Join the Festivities

Many of the children attending the Nicholson 4th of July event dressed for the occasion in our country's colors.

Don't they look great!

Even teenagers got into the spirit. These area teens, shown below, are in the swing of things. See their USA victory "V" and the red, white and blue outfit that is just right for the occasion.

They've got the spirit!

What Does It Mean to be a Patriot?

As we celebrate America's first 250 years this Independence Day, the most meaningful way to honor our patriot Founders is not simply by dressing up or by shooting off fireworks in celebration, but by ensuring that what they created survives. But how can you do this? Here are some ideas.

Patriots Participate in Civic Duties: Stay informed on local and national issues, vote in all elections, and engage with our Nicholson and Staghorn leaders to shape our community.

Patriots Give Back to the Community: Volunteer your time to feed the home bound, support iServe Ministries in Commerce the second Saturday of every month, join the food pantry as a volunteer, attend the church of your choice and participate in their civic activities.

Patriots Support Local Organizations: Make a conscious effort to buy locally sourced goods and products manufactured in our area to ensure the survival of our business community. Financially support local veteran's organizations, drug addiction programs and cancer survival programs.
